

Free clinics for boaters wanting to service their own inflatable lifejackets will be held across the state, including Sutherland Shire on Saturday 13 April 2019 at Grays Point.

The session lasts for around 30 minutes (12 to 3pm) and goes through detailed steps for DIY, with new service parts provided by NSW Maritime. Other locations around the State are also available.

Interested boaters can register at <https://www.rms.nsw.gov.au/maritime/safety-rules/lifejacket-clinics.html>

For more details, contact:

Inflatable lifejacket self-service clinics

Have you serviced your inflatable lifejacket?
Bring yours to a free clinic and learn how.

Participants receive a
\$15 voucher
or free
inflatable lifejacket
self-service parts
REGISTER NOW

By law, inflatable lifejackets must be serviced at regular intervals to ensure they will work in an emergency. Most can be self-serviced, depending on the manufacturers' guidelines.

Roads and Maritime Services will be conducting self-service clinics at various locations around NSW in March and April.

To secure your place at one of these sessions, **REGISTER** at rms.nsw.gov.au/lifejacketclinics

Come to one of the free half-hour sessions at these locations and learn how to service your lifejacket. Clinic times will be 12.00–3.00pm.
